Dear Sir/Madam,

INVITATION TO PARTICIPATE IN
THE UGANDA HUMANITARIAN DISASTER PREPAREDNESS WORKSHOP
SCHEDULED FOR 27 and 28 MARCH 2008

UN-OCHA has organized a two days workshop on Disaster Preparedness for Uganda from 27 to 28 March 2008 at the Protea Hotel, Kampala. The workshop seeks to strengthen in-country disaster response preparedness by bringing together various experts from government, NGOs, the UN and the donors to undertake a full disaster risk analysis and establish a comprehensive disaster preparedness plan for Uganda.

I therefore have the honour to invite you to participate in this workshop. Attached is the workshop outline for your information.

Your continued cooperation and support to our efforts to strengthen disaster preparedness in Uganda is highly appreciated.

Yours sincerely,

Mr. Tim Pitt
Head of Office
